

TECHNICAL DATA SHEET

Table with columns: Model, Version, From (year), To (year), Country, Frame number, Engine type, Number of valves per cylinder, Stroke volume (cm³), Exhaust valve clearance (mm), Displacement (cm³), Bore/Stroke (mm), Compression ratio, Starting, Mixing speed (rpm), Clutch type, Transmission, Primary drive ratio (GASBOX (G)), Final drive ratio (CAMERA (C)), Engine oil capacity (liters), Oil change interval (km/h), Transmission oil capacity (liters), Belt/Chain link quantity (inch), Thrusts body tube diameter (mm), Crankshaft make and type, Max. RPM, Starting jet, Air screen type (mm hole size), Type of timing system, Front brake disc size (mm), Brake pads (mm), Type of wheel rim, Front wheel rim, Front tyre size, Rear tyre size, Rear tyre pressure (bar), Rear tyre pressure (psi), Type of ignition, Fuel advance (degrees), Spark plug(s) make and type, Spark gap (mm), Battery type, Generator power (W), Engine oil type (see specifications), Engine oil grade (SAE), Coolant type, Coolant capacity (liters), Transmission oil type, Transmission oil grade (SAE), Fork oil grade (SAE), Brake fluid (see specifications), Chain control type, Model.
