EXCLUSIVE DISTRIBUTOR IN THE UNITED STATES AND CANADA

June 3, 1980

Dear Dealer:

Effective July 1, 1980, all Moto Guzzi spare parts will be increased by 10%.

Even though our increase from the factory was much higher, we have increased your prices by only 10%. We are absorbing some of the increases so as to keep prices as reasonable as possible and at the same time permit dealers to continue ordering parts for stock. We regret any increases, but the circumstances are beyond our control.

Enclosed find a list of price changes different from January 1st 1980 prices. The above-mentioned 10% increase is also applicable to the enclosed list.

We are sure you will understand our position in this matter.

Very truly yours,
